Overview of Rack Program

- Tying in Growing Media Products in the Live Goods area using upscale racking system
- The Wooden Rack is built and shipped by Maine Bucket in cooperation with the Scotts Miracle-Gro Company
 - Maine Bucket has long history of supplying wood products to the Independent Garden Centers
- Signage created and printed for the Independent Retailer by Scotts
- The retailer pays Maine Bucket for the rack and can submit the claim for credit against available Miracle-Gro Ad Fund
- Average MG truck accrues about \$450 of Scotts Coop plus any Plant Food Accruals
- For more information on the Scotts Ad Fund reimbursement please speak to your Scotts Sales Representative
